Houston Azalea Tour

March 5-

In early March, vivid pink, purple, white, red and yellow azaleas are bursting into color at several special Houston locations, which provide the humid, subtropical climate that azaleas thrive in.

On your first spring morning in Houston, we'll begin our three-day, nine-stop independent bus tour. This tour will guide you through Houston's flourishing azalea district, including nine stops at wildly landscaped private residential gardens. As a bonus, we'll make a stop at Teas Nursery who invented the method used today that's been keeping azaleas evergreen in Houston for almost 100 years.

Your tour begins Tuesday morning and includes all of your breakfasts and lunches from Tuesday until Friday morning. Four night accommodations at Hotel Zaza put you only steps away from the botanically enthusiastic Hermann Park.

Join us in Houston and witness the beauty of these spectacular flowering shrubs.

\$2497 includes 3-day tour, five days at a 4-star hotel, all breakfasts and lunches. \$4158 per couple. Save 30%!
